Below are the guidelines for preparing your presentation videos, posters, and your camera-ready submissions.

Oral paper items:
- Please pre-record a 15-min long presentation video and upload it to **FTP server** (a separate email of instructions with login credentials will be sent from our program chairs) before June **21th**. This long video will be posted on RDmobile (login details will be provided for attendees) before the conference dates.
- Please prepare a 5-min short presentation to present during your presentation dates. The schedule for your paper presentation can be found in our program agenda.
- Please prepare a poster for your paper following **the suggested template** to be presented at one of the poster sessions. The schedule for your poster presentation can be found in our program agenda.
- The length for the camera-ready oral papers is 8 pages. **STEPS FOR SUBMITTING YOUR ASAP 2021 PAPER AND COMPLETING THE COPYRIGHT TRANSFER PROCESS.**

Poster papers:
- Please note that ASAP 2021 will include both the oral and poster papers into the conference proceeding.
- Please prepare a poster for your paper following **the suggested template** to be presented at one of the poster sessions. The schedule for your poster presentation can be found in our program agenda.
- The length of the camera-ready poster papers is 4 pages. To provide attendees and presenters an online user experience resembling a live poster session, the poster sessions of ASAP 2021 will take place via Gather.town (login credentials will be provided for attendees before the conference dates). **STEPS FOR SUBMITTING YOUR ASAP 2021 POSTER and COMPLETING THE COPYRIGHT TRANSFER PROCESS.**
